### ABOUT ME

I am an artistic and very creative person, who enjoys creating and leaving my personal mark on my creations. Curious by nature and interested in expanding my knowledge about new technologies. I also interact and work well as a team.

### EDUCATION

HENRY BOOTCAMP

Intensive JS Programming Course - Full Stack Developer  
February 2021 - August 2021

### PROJECTS

#### POKEAPP

A website made to show pokemons on a list, filter them if necessary, show more info on a selected pokemon and even create your own pokemon
